

641—201.29(135,75GA,ch158) Supervision after approval.

201.29(1) *Active supervision.* The department shall actively supervise, monitor, and regulate approved arrangements, as described below.

201.29(2) *Procedures.* The department shall review data submitted periodically by the applicant. The department's order shall set forth the time schedule for the submission of data, which shall be at least once a year. The department's order must identify the data that must be submitted, although the department may subsequently require the submission of additional data or alter the time schedule. Upon review of the data submitted, the department shall notify the applicant of whether the arrangement is in compliance with the department's order. If the arrangement is not in compliance with the department's order, the department shall identify those respects in which the arrangement does not conform to the department's order.

An applicant receiving notification that an arrangement is not in compliance has 30 days in which to respond with additional data. The response may include a proposal and a time schedule by which the applicant shall bring the arrangement into compliance with the department's order. If the arrangement is not in compliance and the department and the applicant cannot agree to the terms of bringing the arrangement into compliance, the matter shall be set for a contested case hearing.

The department shall publish notice in the Iowa Administrative Bulletin two years after the date of an order approving an application, and at two-year intervals thereafter, soliciting comments from the public concerning the impact that the arrangement has had on cost, access, and quality. The department may request additional oral and written information from the applicant or from any other source.
